

Beeshop - I Was Born In The 80's

Tom: G
Intro: D Em C

Verso 1:

I was just a boy
 Couldn't afford most of the toys
 so we just hanged out in the streets
 'Girl, I don't dance, I just do the beats.'

Industrial neighborhood
 I lived my life the way I could
 my house was all painted in green
 I can't forget most of the scenes

Ponte:
 because I'm getting old!
 I'm not a kid anymore
 I'm getting old
 I'm not a kid anymore

Refrão:
 I was born in the 80's

that's why I sing this song
 my memories are faded
 but they aren't gone
 well I was born in the 80's
 and I miss them too
 I don't get totally crazy
 only because of you

(D Em C)
 I had a bike
 I had a dog, his name was spike
 we used to play ball all night long
 we used to play hair metal songs
 I bought a guitar
 my tunes have taken me so far
 I can't remember most of the nights
 'cause of the vodka, lime and ice
