

# Beeshop - Suicide Girl

Tom: D

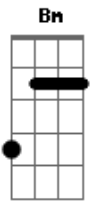

**Bm** **A**  
I'm here to save you from loneliness  
**G**  
Long distance phone calls  
**Em**  
I'm right beside you  
**Bm**  
I'm here to talk to you,  
**A** **G**  
even if I sometimes just don't talk...  
**Em**  
just staring at you  
( **Bm A G Em** )  
**Bm**  
Those pics you took...  
**A** **G**  
I must say I did not like'em at all  
**Em**  
They cannot see you  
**Bm** **A**

I know you have to show everyone  
**G**  
that you're not feeling alright,  
**Em**  
but don't just blame it on me!  
**A** **Bb**  
'Cause if I am your Wolverine  
**Bm** **D**  
Then you're supposed to be Jean Grey  
**Em** **F** **Gb7**  
But sorry, honey... phoenixes don't die!  
**A** **Bb**  
So stop living this misery  
**Bm** **D**  
Pack your bags and leave with me  
**Em** **F** **Gb7**  
And let me tell the world that now you're mine!  
**G** **A** **Bm**  
Don't you dare to die now in my hands (arms)  
**D**  
My suicide girl
