

# Beeshop - Vick, I'm Sorry

Tom: G

(G C Em D C D) 2x

G  
You're right, you wanna be  
C  
this far away from me  
D C  
I always treated you nice, but not tonight D

G C  
You're right, you'll never see  
Em  
a meaner guy than me,  
D C D  
but now I swear not to do you any harm

Em C  
If someday you think I deserve  
G  
to have you in my arms again,  
D  
you know my number and my address

Em C  
If someday we ever fall in love,  
G  
would you promise to forget the things  
D  
i've done when i was out of my head?

C  
Believe in me...  
G C  
when I say that I'd do anything to be again

(inside your heart)

Em D C  
the box where you keep memories alive,  
G C  
when I say I'd rather die than be only a friend  
(back to the start)

Em D C D  
I promise not to do you harm again!

G C Em D C D  
I'm sorry, I'm sorry (2x)

Em C  
Remember when I said I wish I had  
G  
a little paper box to keep you in,  
D  
so I could see you everyday and night?

Em C  
But now it feels like  
G  
there is nothing left inside,  
D  
and I know this song won't bring you back  
Believe me...

G  
When I say I'd rather die  
C  
When I say I'd rather not no cry  
Em D  
When I say please, forgive me  
C D  
Please, forgive me

## Acordes
