I'm in the water, I'm in the moon
 I'm in the lie someone told you, were it true
 I'm in the earth, I'm in your words
 Oh, I'm in the raised fists that fight for a better world
 I'm in the sky, I'm in your fears
 I'm in the fishes dancing in the sea
 I'm in the sinners, I'm in your prayers
 I'm in the promises we make to break
