

G.R.E.S. Beija-Flor de Nilópolis (RJ) - Beija-flor - Araxá - 1999

tom:

F

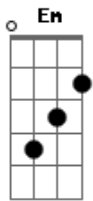

Araxá, Araxá... (obá, obá)
 Paraíso hospitaleiro
 Onde do alto
 Se avista o sol primeiro
 És fonte de conhecimentos pra ciência
 Prova fiel da existência
 Dos primitivos animais
 Cenário onde índios e negros
 Em luta constante
 Contra bravos bandeirantes
 O sangue fluía a todo instante
 Nasceu enfim, São Domingos do Araxá
 Um solo livre pra explorar
 Uma nova colonização

Com a vinda do Ouvidor

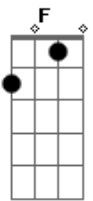

Surge a libertação

Ana Jacintha de São José... (é beija)
 Josefa Carneiro de Mendonça... (rara beleza)
 Josefa Pereira é força e fé... (que sedução)
 A escrava Filomena... (é fascinação)
 Tem cheiro bom no ar
 Este tempero nos convida a viajar
 Quero renascer em tuas águas
 Para prolongar a vida
 Me hospedar no Grand Hotel
 Do seu conforto desfrutar
 Com sua genial arquitetura
 A Beija-flor em alto astral
 Neste carnaval nos traz
 Belo recanto de Minas Gerais
