

Beirut - A Candle's Fire

Tom: G

Intro 2x(C Em D Bm D C)

2x

C D
Oh light a candle's fire
G C
Carries a good name
D
What would you ask a camp fire?
G C
It scares me just the same
D
And you you had it all along
G C
An endless need for games
D
Just don't forget a candle's fire
G
Is only just a flame

(REPETE MESMA SEQUÊNCIA)

I it's certain from a far
Failed to pull my weight
But you were light
You travelled through the fog
To arrive at our frontgate
(REPETE MESMA SEQUÊNCIA)
Tonight we rest beside the fire
A smile upon your face
Just don't forget a candle's fire
Is only just a flame

Am D G C
If I had known not to carry on that way
Am D
It wouldn't show
G C
In the creases of your face
Am D
If you should go
G C
Would you carry on my name?
Am C
Just let it blow
G D
In the fog on Bishop's Lane
