

# Beirut - Mount Wroclai

Tom: **Db**

Introdução: **Bbm - Db - Ab - Ebm**

**Bbm**                 **Db**                                 **Ab**  
 And I know when time  
           **Ebm**                                 **Bbm**  
 will pass by slow  
                                   **Db**  
 without my heart  
   **Ab**                                 **Ebm**  
 what can I do

you're in the halls  
 the bell gives way to a larger swell  
 without my heart  
 what can I do, oh  
 wroclai

and we grow fat  
 on the charms of our idle dreary days  
 seen the shadows grow  
 see an ominous display  
 with no alarm  
 could we say we'd have expected this way  
 under stars have died  
 give incant to play  
 wroclai

## Acordes
