[Primeira Parte]

Cm G  
You know I don't believe in ghosts

Or letting people close, I'm good at letting go  
Cm G  
You kiss my lips until they're colder  
Ab Fm  
Think you're in control, but I should let you know

[Pré-Refrão]

Cm G  
Well, the good guys don't always get the glory  
Ab G  
Can't you see the warning signs?

[Refrão]

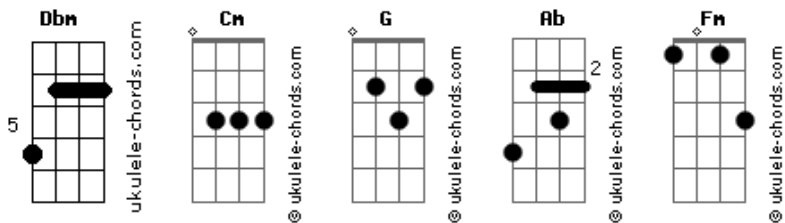

Cm G Ab Fm  
I can make your life a livin' hell if I wanted to, wanted to  
Cm G Ab Fm  
Wish this was a love you never felt and you know it's true

Know it's true  
Cm G  
Love me, love me, trust me with that heart of yours  
Ab Fm  
Feels so heavy lyin' on the bedroom floor  
Cm G Ab Fm  
I can make your life a livin' hell if I wanted to, wanted to

[Segunda Parte]

Cm G  
Chew you up and spit you out  
Ab Fm  
And still you come around so I can watch you drown  
Cm G  
Hate when you tell me that you'll wait  
Ab Fm  
Like you think that I could change when  
I've always been this way
