

Bella Thorne - Sweetest Feeling

tom:

D

I put my hair up
 I slam my lipstick on
 I can't decide what to wear
 I try my clothes on
 About a hundred times
 I wanna get it right

[Refrão]

But as long as
 I got this perfect feeling
 I know that everything will be right
 As long as I got this
 Sweetest feeling
 My troubles will be out of my sight
 La da da da da da
 Da da da da da da
 My troubles will be miles away
 La da da da da da
 Da da da da da da
 My troubles will be miles away

I slip my shoes on
 Take a spin or two
 Tell my how does this look to you?
 In the mirror
 I blow a kiss and scoot
 'Cause I'm

Running late for you

[Refrão]

But as long as
 I got this perfect feeling
 I know that everything will be right
 As long as I got this
 Sweetest feeling
 My troubles will be out of my sight
 La da da da da da
 Da da da da da da
 My troubles will be miles away
 La da da da da da
 Da da da da da da
 My troubles will be miles away

When you take me
 All around this town
 All the wonder we've seen

[Refrão]

But as long as
 I got this perfect feeling
 I know that everything will be right
 As long as I got this
 Sweetest feeling
 My troubles will be out of my sight
 La da da da da da
 Da da da da da da
 My troubles will be miles away
