

Belle And Sebastian - I Can See Your Future

Tom: E
Intro: A E B

E
I saw you around
When you were young and free
How did I know
Try but I can't remember
B
How it began (back in the day)
Gb
Was there a plan? (follow my way)
A
I'm living in the past
You're making history

E
The road into town
That's when it came to me
I'm not alone
I felt the world stop turning
B
Stop in your tracks (where could I go?)
Gb
Cover my back (let yourself show)
A
I took the long way home
I feel a blistering
(A E B)

Ebm Dbm
Listen up we'll make a deal
And I'll tell you what I see
Ebm A
And when the second hand
B
Hits the morning
Ab Dbm
You will hear me calling
A Ab
Come to me, come to me
(E A E Dbm)
(B Gb Dbm E)

E
Don't leave me behind
Stuck in a memory
Caught in a lie
Something that once you told me
B
Fortune or fame
Gb
Please don't be late
A E
Watching the world will fall in the sand
(A E B Dbm)

Forward's the only way to go
You catch me up I'll take it slow
I can see your future, there's nobody around

Acordes
