

# Belle And Sebastian - Stars Of Track And Field Solo

Tom: **D** then..

This is the trumpet solo in the middle of the song that I converted into guitar. It's easy and sounds good! Pretty sure it's all correct, if it isn't then let me know! Thanks!

( do this part twice)

Just make sure you have the right rhythm of the song and it should all fit in. Keep Guitar!

h - hammer on  
~ - slide  
p - pull off
