

Belle And Sebastian - There's Too Much Love

Tom: E

A E Gbm E A E B

E
I could hang about and burn my fingers
Ab
I've been hanging out here waiting for something to start
A E
You think I'm faultless to a 't'
A E
My manner set impeccably
A E B
But underneath I am the same as you
E
I could dance all night like I'm a soul boy
Ab
But I know I'd rather drag myself across the dance floor
A E
I feel like dancing on my own
A E
Where no one knows me, and where I
A E B
Can cause offence just by the way I look
A E
And when I come to blows
Gbm E
When I am numbering my foes
A E B
Just hope that you are on my side my dear

E
But it's best to finish as it started
Ab
With my face head down just staring at the brown formica
A E
It's safer not to look around
Gbm E
I can't hide my feelings from you now
A E B
There's too much love to go around these days.
A E
You say I've got another face
A E
That's not a fault of mine these days
A E B
I'm brutal, honest and afraid of you
A E
It's safer not to look around
Gbm E
I can't hide my feelings from you now
A E B
There's too much love to go around these days
A E
You say I've got another face
Gbm E
That's not a fault of mine these days
A E B
I'm honest, brutal and afraid of you
A E Gbm E A E B (4x)
