Bb  
Love of mine  
Hydra calls you home Gm  
With every word and every line Eb  
We never really own Bb  
You're the guide  
The parts that make the sum Gm  
No constellation ever shined Eb  
Like Hydra now you're gone Bb  
Eb  
These boats, will carry us Gm F  
'til these waves, deliver us Eb  
To bodies, we once knew Gm F  
Now we're almost older Eb  
Take me back to Hydra F

Give me back my youth Eb  
Take me back to Hydra Bb  
To bring me home to you  
Eb  
Crystallised Gm  
Footprints at the door Eb  
Still leave a sound I recognise Bb  
Of a friend I knew before  
Eb  
These boats, will carry us Gm F  
'til these waves, deliver us Eb  
To bodies, we once knew Gm F  
Now we're almost older Eb  
Take me back to Hydra F  
Give me back my youth Eb  
Take me back to Hydra Bb  
To bring me home to you
