

Belo - Acasalamento

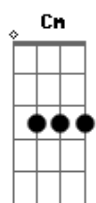

tom:

Intro: C7M Dbm7 G

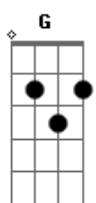

Você tem tudo que eu preciso
 Prazer demais, pouco juízo quando se entrega, quando ama
 Pro nosso acasalamento
 Se eu não tiver arrumo um tempo
 Toda vez que você me chama
 No entanto você se aborrece, e do meu amor desconfia
 Quando a sábia natureza traz pro seu corpo aqueles dias
 Mas você nunca me chama, nesses dias nem te vejo

E sozinho quase morro de desejo
 Deixa eu viver sua realidade
 No dia-a-dia, na vida, na cama
 Vem dividir sua intimidade
 Com quem te adora, com quem você ama
 Antes de achar que é infidelidade
 Despe tua alma, tire a fantasia
 Pra que a minha se sinta à vontade
 E eu possa te dar amor nesse dia
 Você tem tudo
