

# Ben Cocks - So Cold

Tom: Bb

(com acordes na forma de A )

Capostrate na 1ª casa

Oh,you can hear me cry

See my dreams all die

From where you're standing

On your own.

It's so quiet here

And I feel so cold

This house no longer

Feels like home.

D A Dbm E Gbm

Oh,when you told me you'd leave

I felt like I couldn't breath

My aching body fell to the floor

Then I called you at home

You said that you weren't alone

I should've known better

Now it hurts much more.

D A Dbm Bm

You caused my heart to bleed and

You still owe me a reason

I can't figure out why...

Why I'm alone and freezing

While you're in the bed that she's in

I'm just left alone to cry.

Ohhh...Ohhh...Ehhhh...Ehhh...

Ohhh...Ohhh...Ehhhh...Ehhh...

Ohhh...Ohhh...Ehhhh...Ehhh...

Ohhh...Ohhh...Ehhhh...Ehhh...

You caused my heart to bleed and

You still owe me a reason

I can't figure out why...

You caused my heart to bleed and

You still owe me a reason

I can't figure out why...

Oh,you can hear me cry

See my dreams all die

From where you're standing

On your own.

It's so quiet here

And I feel so cold

This house no longer

Feels like home.
