tom:

Intro: C G Am F

When the sun comes, you're my shade  
 When the moon comes, your're a little firefly  
 and I love you more than I can say  
 No I'll never fly away

Uuh uuh, uuuh uuh uuh, uuuh uuh uuh, uuuhuuuuuh  
 Uuh uuh, uuuh uuh uuh, uuuh uuh uuh, uuuhuuuuuh

I'm your firefly, I'm your shade  
 I wanna live in a house that we've made  
 I wanna love you everyday  
 And I'll never fly away  
 Uuh uuh, uuuh uuh uuh, uuuh uuh uuh, uuuhuuuuuh  
 Uuh uuh, uuuh uuh uuh, uuuh uuh uuh, uuuhuuuuuh
