tom:

Intro: C G Am F

When the sun comes, you're my shade
 When the moon comes, your're a little firefly
 and I love you more than I can say
 No I'll never fly away

Uuh uuh, uuuh uuh uuh, uuuh uuh uuh, uuuhuuuuuh
 Uuh uuh, uuuh uuh uuh, uuuh uuh uuh, uuuhuuuuuh

I'm your firefly, I'm your shade
 I wanna live in a house that we've made
 I wanna love you everyday
 And I'll never fly away
 Uuh uuh, uuuh uuh uuh, uuuh uuh uuh, uuuhuuuuuh
 Uuh uuh, uuuh uuh uuh, uuuh uuh uuh, uuuhuuuuuh
