

Ben Folds - Still

Tom: F

I must give the impression
 That I have the answers for everything
 You were so disappointed
 To see me unravel so easily
 But it's only change
 only everything I know
 Even the things that seem still
 Are still changing
 Lada lada laladadadada lada ladadadadadada
 Lada lada laladadadada lada ladadadadadada
 Lada lada laladadadada lada ladadadadadada
 Mother misses her baby
 But i only want it to be me
 She changed address and haircuts
 And Boyfriends and lightbulbs, it's easy
 But it's only change
 only everything I know
 Even the things that seem still

Are still changing
 Lada lada laladadadada lada ladadadadadada
 Lada lada laladadadada lada ladadadadadada
 I stay focused on details
 It keeps me from feeling the big things
 But watch the microscope long enough
 Things that seem still are still changing
 Lada lada laladadadada lada ladadadadadada
 Lada lada laladadadada lada ladadadadadada
 Lada lada laladadadada lada ladadadadadada
 Lada lada laladadadada lada ladadadadadada
 Even the things that seem still are still changing
 Even the things that seem still are still
 Even the things that seem still are still changing
 Even the things that seem still are still changing
 Lada lada laladadadada lada ladadadadadada
 Lada lada laladadadada lada ladadadadadada
