Versos 2: Igual à 1ª parte

I still hear you saying  
All of life is a Chance  
And is the sweetest  
When at a glance  
But I live a hundred  
Lifetimes in a day  
But I die a little  
In every breath that I take

Versos 3: Igual aos anteriores

I listen to a whisper  
Slowly drift away  
Silence is the loudest  
Parting word you never say  
I put your world  
Into my veins  
Now a voiceless sympathy  
Is all that remains
