

Ben Harper - Another Loney Day

```
Tom: Bb
  Verse I:
Bb Gm Dm F
Yes indeed I'm alone again
   Gm Dm
and here comes emptiness crashing in
Bb Gm
it's either love or hate
Dm F
I can't find in between
Bb Gm
cause I've been with witches
   Dm
and I have been with a queen
Eb Gm
It wouldn't have worked out any way
        Eb
so now it's just another lonely day
Eb Gm F
further along we just may
                Eb
but for now it's just another lonely day
Verse II:
Wish there was something
I could say or do
Bb Gm
I can resist anything
but temptation from you
but I'd rather walk alone
```

```
then chase you around
I'd rather fall myself
      Dm
then let you drag me down
Eb Gm F
It wouldn't have worked out any way
           Eb
so now it's just another lonely day
Eb Gm F
further along we just may
but for now it's just another lonely day
Verse III:
                 Dm
Yesterday seems like a life ago
cause the one I love
today I hardly know
Bb Gm
you I held so close in my heart oh dear
grow further from me
   Dm F
with every fallen tear
Eb Gm
It wouldn't have worked out any way
           Eb
so now it's just another lonely day
Eb Gm
further along we just may
but for now it's just another lonely day
```
