

# Ben Harper - Burn One Down

Tom: F

(intro)

<sup>G</sup>  
Let us burn one  
from end to end  
<sup>Em</sup>  
and pass it over  
<sup>C</sup>  
to me my friend  
<sup>G</sup>  
burn it long, we'll burn it slow  
<sup>Em</sup> <sup>C</sup>  
to light me up before I go

(refrão)

<sup>G</sup>  
if you don't like my fire  
<sup>Em</sup>  
then don't come around  
<sup>Em</sup> <sup>D</sup> <sup>C</sup>  
cause I'm gonna burn one down  
<sup>Em</sup> <sup>D</sup> <sup>G</sup>  
yes I'm gonna burn one down

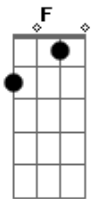

<sup>G</sup>  
my choice is what I choose to do  
<sup>Em</sup>  
and if I'm causing no harm  
<sup>C</sup>  
it shouldn't bother you  
<sup>G</sup>  
your choice is who you choose to be  
<sup>Em</sup>  
and if your causin' no harm  
<sup>C</sup>  
then you're alright with me

(refrão)

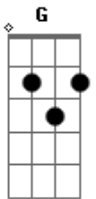

<sup>G</sup>  
herb the gift from the earth  
<sup>Em</sup>  
and what's from the earth  
<sup>C</sup>  
is of the greatest worth

<sup>G</sup>  
so before you knock it try it first  
<sup>Em</sup>  
you'll see it's a blessing  
<sup>C</sup>  
and not a curse
