Ben Harper - Forgiven

```
Tom: A
Intro: E ... D A E

Couplet:    le E1 is a  Riff on  E (see a the end)
--------
E1                              E1
I will wait like nothing I have ever waited for
 E1                                        D          A
E
I will catch your tears from falling; Until from my hands they
fall
       E1                  E1
You can leave me abandoned, I'll be here if you want back in
E1                                    D     A         E
Like the rest I have been branded so far beneath the skin
   D     A         E
So far beneath the skin
Refrain: (there is always a Riff before each chord,see at the
end...)
---------
          E             D             Db    C
You shall be, you shall be, you shall be Forgiven
          E             D             Db    C
You shall be, you shall be, you shall be Forgiven
couplet:
Here I have been standing while the time has come and gone
I tried singing to you, but you turned my words to stone
Here I have been waiting, it seems for quite a while
Changed all my reflections
But inside I'm still just a child
But inside still just a child
Refrain:
          E             D             Db    C
You shall be, you shall be, you shall be Forgiven
          E             D             Db    C      D
You shall be, you shall be, you shall be Forgiven

(Bridge: Eo(Do) Co(Bo)  Do(Co)     (see at the end for
details)
couplet:
These eyes weren't made for crying; This love wasn't made to
waste
These arms weren't made for battle, but to share your warm
embrace
refrain:
You shall be, you shall be, you shall be Forgiven
You shall be, you shall be, you shall be Forgiven

Riff E1: (p)= pull off
   E

riffs for the chords in the chorus
              E

              D

              Db

              C
```
