Tom: F

Riff 1

Clean

F C G

This is both the intro riff and the chorus riff, and the chord structure also does for the solo.

the verse riff goes like this

C F G

the above riff, and an electric just playing the chords.

Lyrics:

C F G C F G

i'm more afraid of living than i am scared to die

C F G C F G

im more afraid of falling than i am of flying high

F C G F C G

every moral has a story and every story has an end

F C G F C G

every battle has its glory and its consequence

(repeat the above pattern)

im more afraid of loving than i am of being scorned

but i will keep on trying though i have been forewarned

every moral has a story and every story has an end

every battle has its glory and its consequence

i would rather be lonely and you have someone to hold

im not as scared of dying as i am of growing old

every moral has a story and every story has an end

every battle has its glory and its consequence
