

Ben Harper - High tide or low tide

```
(Dm)
   [ Ben Harper and Jack Johnson - High tide or low tide ]
                                                               2 solo
[ Cover of Bob Marley ]
Intro: - F C Dm A : Bb : A : Bb : F - 2X
           C
                                                               I said, I heard my mother;
                      Dm A
                                Bh
Yes In high seas or-a low seas, I'm gonna be your friend;
                                                               She was cryin' (I heard her cryin', cryin', cryin') in the
            Bb
                                                               night
You know that I'm gonna be your friend. And is a
                                                               Dm
                     Dm A Bb
       F C
                                                               And the tears that she shed (the tears that she shed),
In-a high tide or-a low tide, I'll be by your side;
             Bb
                                                               They still-a lingers in my head (lingers in my head).
You know that I'll be by your side.
(Dm )
                                                               She said: A child is born in this world, He needs protection.
Dm
                                                               God, guide and protect us.
(I heard her praying - praying - praying)
I said, I heard my mother;
She was praying (praying - praying); in the night
                                                               When we're wrong, please correct us (when we're wrong, correct
                                                               us),
Bb | C
                       Gm
And the words that she said (the words that she said),
                                                               And stand by me, in these
They still-a lingers in my head (lingers in my head).
                                                                             Dm A
                                                               high seas or-a low seas, I'm gonna be your friend;
She said: A child is born in this world, He needs protection.
                                                                              Bb
God, guide and protect us.
                                                               You know that I'm gonna be your friend. And is a
                                                                      F C
                                                                                    Dm A Bb
When we're wrong, please correct us (when we're wrong, correct In-a high tide or-a low tide, I'll be by your side;
us),
Bb | C
                                                                              Bh
                                                               You know that I'll be by your side.
And stand by me, in these
             Dm A Bb
                                                               Solo final - Ben Harper (F C Dm A : Bb : A : Bb : F )
     C
high seas or-a low seas, I'm gonna be your friend;
               Bb
You know that I'm gonna be your friend. And is a
                     Dm A Bb
In-a high tide or-a low tide, I'll be by your side;
               Bb
You know that I'll be by your side.
                                                               (Por Douglas Vaz Brevilieri)
