

Ben Harper - I Will Not Be Broken

tom:

Intro: Bm A G
 Give and you give and you give till its gone
 Then the people you fight hardest for say you're wrong
 Before me flash all of my memories and days
 So don't stand insincere at the side of my grave

I will not be broken
 I won't be turned away
 When it's too cold to breathe
 And too dark to pray
 I will not be broken
 (Bm A)

I go too far then I go further still
 Time starts to collapse leaves a void none can fill
 Nothing you can say to hurt me with your forked tongue
 Through bloodshot eyes I watch the world come undone

I will not be broken
 I won't be turned away
 When it's too cold to breathe
 And too dark to pray
 I've come too far to give up
 Or to be turned around
 I will not be broken
 I will not go dow
 [Solo] G D A Bm

I will not be broken
 I won't be turned away
 When it's too cold to breathe
 And too dark to pray
 I've come too far to give up
 Or to be turned around
 I will not be broken
 I will not go dow
