I never play it like this, so do what you want with it.
Hopefully close enough for everyone. Sorry if lyric is a bit off.

Tuning: Down 1 Step --- (low to high) DGCFAD
Although it sounds fine if you play it in standard.
Intro:

Good - bye_

Verse:

_____ hasn't been so good to me__

_____ back against the

moon_____ I saw__

__ ten thousand hands with candle

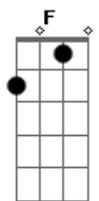

light_____ We a - ll think that we're

right_____ it's hard to tell, if the

_____ What more then sorry, can I__ be__

_____ before our love____ fades

away_____ what more than sorry_

me_____

Repeat the verse with these lyrics:

My eyes
burn with unshed tears
my body is weak
from so many silent years
too many people say goodbye
before they say hello
step into the morning
and disappear

Repeat Chorus x2

End on repeating:
then:
