oppression            you    prey    on    us  
  
when    we    sleep  
  
          oppression    you    chase    after  
  
the    tired    the    poor    the    weak  
  
          oppression    you    know  
  
you    mean    only    harm  
  
oppression    you    reach    out  
  
          with    your    long    arm  
  
but    oppression    I    won't    let  
  
you    near            me\_\_\_\_\_

oppression    you    shall    learn  
  
to    fear            me\_\_\_\_\_

rest of the lyrics (they fit in the same way as above) :

oppression  
you seek population control  
oppression  
to divide and to conquer is your goal  
oppression  
I swear that hatred is your home  
oppression  
you just won't leave bad enough alone

but oppression  
I won't let you near me  
oppression  
you shall learn to fear me

oppression  
I don't see how you sleep  
oppression  
for your bleeding conscience I weep  
oppression  
you may have the dollar on your side  
but oppression  
from the gospel truth you cannot hide  
and oppression  
I won't let you near me  
oppression  
you shall learn to fear me  
oppression  
you shall fear me
