oppression you prey on us

when we sleep

oppression you chase after

the tired the poor the weak

oppression you know

you mean only harm

oppression you reach out

with your long arm

but oppression I won't let

you near me_____

oppression you shall learn

to fear me_____

rest of the lyrics (they fit in the same way as above) :

oppression
 you seek population control
 oppression
 to divide and to conquer is your goal
 oppression
 I swear that hatred is your home
 oppression
 you just won't leave bad enough alone

but oppression
 I won't let you near me
 oppression
 you shall learn to fear me

oppression
 I don't see how you sleep
 oppression
 for your bleeding conscience I weep
 oppression
 you may have the dollar on your side
 but oppression
 from the gospel truth you cannot hide
 and oppression
 I won't let you near me
 oppression
 you shall learn to fear me
 oppression
 you shall fear me
