oppression you prey on us

when we sleep

oppression you chase after

the tired the poor the weak

oppression you know

you mean only harm

oppression you reach out

with your long arm

but oppression I won't let

you near me_____

oppression you shall learn

to fear me_____

rest of the lyrics (they fit in the same way
as above) :

oppression
you seek population control
oppression
to divide and to conquer is your goal
oppression
I swear that hatred is your home
oppression
you just won't leave bad enough alone

but oppression
I won't let you near me
oppression
you shall learn to fear me

oppression
I don't see how you sleep
oppression
for your bleeding conscience I weep
oppression
you may have the dollar on your side
but oppression
from the gospel truth you cannot hide
and oppression
I won't let you near me
oppression
you shall learn to fear me
oppression
you shall fear me
