oppression you prey on us
 when we sleep
 oppression you chase after
 the tired the poor the weak
 oppression you know
 you mean only harm
 oppression you reach out
 with your long arm
 but oppression I won't let
 you near me_____
 oppression you shall learn
 to fear me_____

rest of the lyrics (they fit in the same way
 as above) :

oppression
 you seek population control
 oppression
 to divide and to conquer is your goal
 oppression
 I swear that hatred is your home
 oppression
 you just won't leave bad enough alone

but oppression
 I won't let you near me
 oppression
 you shall learn to fear me

oppression
 I don't see how you sleep
 oppression
 for your bleeding conscience I weep
 oppression
 you may have the dollar on your side
 but oppression
 from the gospel truth you cannot hide
 and oppression
 I won't let you near me
 oppression
 you shall learn to fear me
 oppression
 you shall fear me
