

Ben Harper - Picture In a Frame

Tom: D

^D
You can sell your soul
^G ^D
But you can't buy it back
^D ^A
I've spent my whole life
^G
Working to give you
^D
Everything you lack

^{Bm}
I wish you were here
^A
So we could walk and talk
^G ^D
In the soft rain, in the soft rain
^{Bm}
Now all that's left of us
^A ^G ...^D
Is a picture sitting in a frame

^D ^A
I would gladly trade
^G
All of my sympathy
^D
For sorrow
^D ^A
If i could have you, if i could have you here
^G ^D
with me tomorrow

I wish you were here
So we could walk and talk
In the soft rain, soft rain
Now all that's left of us
Is a picture sitting in a frame, a picture in a frame

Everything i wish for
Is everything i see
I remember when your kisses were for me

^D ^A
So many wasted days
^G ^D
The past is so hard to get out from under
^D ^A
So many words that i wish i could say
^G ^D
The future rattles my bones weak like thunder

I wish you could be here with me
So we could walk and talk
In the soft rain, soft rain, soft rain
Now all that's left of us
Is a picture, a picture in a frame

Bridge : D=x02210

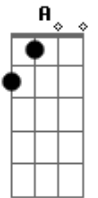

Everything i wish for
Is everything i see
I remember when your kisses were for me
