

Ben Harper - Please Bleed

Tom: G
Intro: and verses:

Em G Am C

couplet:

Em G Am C
Make me feel like a beggar
Em G Am
Make me feel like a thief
Em G Am C
Make me feel like a battle,
Em G A C
that cannot end in peace
Em G Am C
Make me feel like running,
Em G Am C
as if I've lost my nerve
Em G Am C
Make me feel like crying,
Em G Am
tears I don't deserve

refrain:

C Em
Please bleed
C Em
So I know that you are real
C Em
So I know that you can feel
C D D D
The damage that you've done
Am C

Who have I become
Am C Am C Am C D
To myself I am numb, I am numb, I am nu-u-u-umb

couplet:
Is this really living? Sometimes it's hard to tell
Or is this a kind of gentler hell?
Turn out the lights
And let me stare into your soul
I was born and bled for you old

refrain:
Please bleed
So I know that you are real
So I know that you can feel
The damage that you've done
Who have I become
To myself I am numb, I am numb, I am numb

(bridge:play the chorus)

couplet:
Never said thank you
Never said please
Never gave reason to believe
So as it stands
I remain on my knees
Good lovers make great enemies

refrain:
Please bleed
So I know that you are real
So I know that you can feel
The damage that you've done
Who have I become
To myself I am numb, I am numb, I am numb
