

Ben Harper - Show me a Little Shame

Tom: C
Intro: C ...

just before the verse, he plays that:

```
e|-----|
B|-----|
G|-----|
D|-----|
A|---0-2-|
E|-3-----|
```

couplet:

You, you've been looking at me just a little too long,
now I can never look the same
Blindness and kindness, there's no difference in the two
when I can no longer see the good in you

refrain:

So won't you show me a little shame
Won't you show me a little shame

couplet:

Now 'cause I'm, I'm a gentleman, before gentlewomen, so-called
ladies keep

breakin my heart
Show me your house, show me your home, show me how it could
all fall apart

refrain:

So won't you show me a little shame
Won't you show me a little shame
Won't you show me a little shame

bridge:

'Cause now I wake up in the morning more tired than before I
slept

I get through crying and I sat up and before I wept

I get through thinking and the thoughts have left my head

I get through speaking and I can't remember not a word that I
said

couplet:

You change your mind so many times, I wonder if you have a
mind at all

And I rather be by myself than to have your lonesome company
come to call

refrain:

So won't you show me a little shame

Won't you show me a little shame

Won't you show me a little shame
