

# Ben Harper - Waiting For You

Tom: C

<sup>G</sup>  
I've been waiting for you (2x)  
<sup>F</sup> Never found anything else to do  
<sup>G</sup>  
But waiting for you

<sup>G</sup> <sup>Em</sup>  
I've been calling your name (2x)  
<sup>F</sup> <sup>C</sup>  
Never found anything else the same  
<sup>G</sup>  
Nothing's the same

<sup>D</sup>  
You can kill a lot of time  
<sup>C</sup> <sup>G</sup>  
If you really put your mind to it  
<sup>D</sup>  
Or leave it all behind  
<sup>C</sup> <sup>G</sup>  
And never go through it

<sup>G</sup> <sup>Em</sup>  
I keep hearing your name  
<sup>F</sup> <sup>C</sup>  
Nothing else sounds the same  
<sup>G</sup>

As hearing your name

<sup>D</sup>  
You can kill a lot of time  
<sup>C</sup> <sup>G</sup>  
If you really put your mind to it  
<sup>D</sup>  
Or leave it all behind  
<sup>C</sup> <sup>G</sup>  
And never go through it

<sup>G</sup> <sup>Em</sup>  
I've been hoping for you  
<sup>F</sup> <sup>C</sup>  
What else can i do  
<sup>G</sup>  
But keep hoping for you

<sup>D</sup>  
You can kill a lot of time  
<sup>C</sup> <sup>G</sup>  
If you really put your mind to it  
<sup>D</sup>  
Or leave it all behind  
<sup>C</sup> <sup>G</sup>  
And never go through it

<sup>D</sup> <sup>C</sup>  
What else can i do  
<sup>G</sup>  
Keep waiting for you
