

Ben Harper - Waiting on an angel (Ao Vivo)

```
Tom: C
                                                                Refrão
Intro:
                                                                And I'm waiting on an angel
                                                                                                 |Riff 2
                                                                and I know it won't be long
                                                                to find myself a resting place
Riff 1
                 (C)
                                   (G)
       (C)
                         (Am)
                                                                3ª Parte
Riff 2
                                                                So speak kind to a stranger
                                                                                                 |Riff 1
                                                                cause you'll never know
                                                                it just might be an angel come
Riff 3 (esse riff é feito uma vez, e logo após ele, toca-se o
riff 1)
                                                                Refrão
(Intro)
                                                                And I'm waiting on an angel
                                                                                                 |Riff 2
1ª Parte
                                                                and I know it won't be long
                                                                to find myself a resting place
Hope you come to see me soon,
                                |Riff 2
cause I don't wanna go alone,
                                                                4ª Parte
2ª Parte
                                                                hope you come to see me soon
Now angel won't you come by me
                                |Riff 1
                                                                                                 |Riff 2
                                                                cause I don't want to go alone
                                                                I don't want to go alone
take my hand lift me up
                                                                I don't want to go alone
```

Acordes

so that I can fly with thee
