

# Ben Harper - Where Could I go

Tom: F

There's no deals to be made with the dawn  
 Now I fear that our time has come and gone

They say freedom is just a place to hide  
 Now I'm coming to you with my arms open wide  
 (Oh - won't you tell me)  
 Where could I go to the Lord

Take a prayer with you to heaven for me  
 Oh - And give it to the Lord  
 Give it to the Lord  
 Cause nothing else could save a sinner

Sinner like me  
 Oh - But an angel's word  
 Just an angel's word

Now - Oh now - what is - what is too true  
 What is hard is much too true  
 Oh - and what's true Oh - is much too too hard  
 And now where - where could I go but to the Lord

Solo: Dm Gm Dm Gm Bb C

Mama was hard on us but we could take it  
 And papa didn't give a damn and he couldn't fake it

They say freedom  
 Oh - Freedom is just an other place to hide  
 Now I'm coming to you with my arms open wide  
 (And tell me)  
 Where could I go - Oh - but to the Lord
