

Ben L'Oncle Soul - Carry Me

Tom: Gb
Intro: Gb Db Ebm B

I was down,
Deep in my heart, I
Went through a hard time
I carried on

Just like you,
Weeping the whole time
Weeping on the inside
Right in front of you

And the writings on the wall
But I know I'm not about to fall
No, I know I'm not about to fall
Not today

'Cause if you care for me
I will never have to let you go
'Cause if you believe me
I will never have to let you go
Can you carry me?
'Cause I don't wanna do it on my own
But if you don't help me

Then I'm gonna have to let you go

I hope you, you might realize
Oh, with your own eyes, yeah
And the carefree heart
That I need you babe
Need you to break out of your mind
Just deciding,
Now, now is time

'Cause, 'cause the writings on the wall
Well, it makes no sense at all
No, no, no sense at all
Not for me

'Cause if you care for me
I will never have to let you go
'Cause if you believe me
I will never have to let you go
Can you carry me?
'Cause I don't wanna do it on my own
But if you don't help me
Then I'm gonna have to let you go
