

# Ben Platt - Only Us

Tom: Db

(forma dos acordes no tom de G)  
Capostrate na 6ª casa

I don't need you to sell me on reasons to want you  
I don't need you to search for the proof that I should  
You don't have to convince me  
You don't have to be scared you're not enough  
'Cause what we've got going is good  
I don't need more reminders of all that's been broken  
I don't need you to fix what I'd rather forget  
Clear the slate and start over  
Try to quiet the noises in your head  
We can't compete with all that  
So what if it's us  
What if it's us and only us  
And what came before won't count anymore or matter  
Can we try that?  
What if it's you and what if it's me  
And what if that's all that we need it to be  
And the rest of the world falls away  
What do you say?  
I never thought there'd be someone like you who would want me  
So I'd give you ten thousand reasons to not let me go  
But if you really see me

If you like me for me and nothing else  
That's all that I wanted for longer than you could possibly know  
So it can be us, it can be us  
And only us  
And what came before won't count anymore or matter  
We can try that  
It's not so impossible  
Nobody else but the two of us here  
'Cause you're saying it's possible  
We can just watch the whole world disappear  
Til you're the only one I still know how to see  
It's just you and me  
It'll be us, it'll be us  
And only us  
And what came before won't count anymore  
We can try that  
You and me  
That's all that we need it to be  
And the rest of the world falls away  
And the rest of the world falls away  
The world falls away  
The world falls away  
And it's only us
