m (forma dos acordes no tom de Em )

Capostrate na 4ª casa

Intro: Em C G  
Em C G

[Verso 1]

Have you ever felt like nobody was there  
Have you ever felt forgotten in the middle of nowhere  
Have you ever felt like you could disappear  
Like you could fall and no one would hear

( Em C G )

[Verso 2]

Well, let that lonely feeling wash away  
Maybe there's a reason to believe you'll be okay  
Cause when you don't feel strong enough to stand  
You can reach, reach out your hand

[Pré-Refrão]

And oh, someone will come running  
And I know they'll take you home

[Refrão]

Even when the dark comes crashing through  
When you need a friend to carry you  
And when you're broken on the ground  
You will be found

So let the sun come streaming in  
Cause you'll reach up and you'll rise again

Lift your head and look around

You will be found

You will be found

You will be found

You will be found

You will be found

[Verso 3]

There's a place where we don't have to feel unknown  
And every time that you call out  
You're a little less alone

[Verso 4]

If you only say the word

From across the silence

Your voice is heard

[Refrão]

Even when the dark comes crashing through  
When you need a friend to carry you  
When you're broken on the ground  
You will be found

So let the sun come streaming in

Cause you'll reach up and you'll rise again

If you only look around

You will be found

You will be found

You will be found

You will be found

You will be found

You will be found

[Ponte]

Out of the shadows  
The morning is breaking  
And all is new  
All is new

It's feeling awfully empty  
And suddenly I see  
That all is new  
All is new

You are not alone  
You are not alone  
You are not alone  
You are not alone

You are not alone  
You are not alone  
You are not alone  
You are not alone

[Refrão]

Even when the dark comes crashing through  
When you need someone to carry you  
When you're broken on the ground

You will be found
