

# Ben Rector - Dream On

tom:  
 Eb (forma dos acordes no tom de D )  
 Capotraste na 1ª casa  
 Intro: D Bm  
 Do you ever get scared  
 Do you ever get sad  
 Did you forget the childhood dreams that you had  
 Hoped it'd be better but things turned out bad and all went wrong  
 You don't have to climb mountains or walk on the Moon  
 To fill up your heart like a great big balloon  
 If you can't sleep at night just remember this tune  
 And sing along
