[Primeira Parte]

Don't look pretty when I cry
 Do you feel bad when you lie?
 You weren't helping me, no
 You'd make me feel so small
 When I lost you
 Nothing was good
 No longer happy anymore
 Had to let it go

[Refrão]

Ooh, I thought I found the one
 But clearly, I was blue (Babe)

 Blue

[Segunda Parte]

Why would I stay?
 You forced me away
 You were nice, 'til you were not
 We always fought
 Fought a lot
 I wonder why you took so long
 To realize that the love was gone
 Never, ever felt so bad

[Refrão]

Ooh, I thought I found the one
 But clearly, I was blue (Babe)
 Blue, ooh, ooh, ooh
