

Benito Di Paula - Alem de tudo

Tom: D

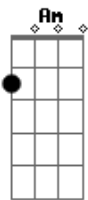

m ^{Am}
 Você ficou sem jeito e encabulada
 Ficou parada sem saber de nada
 Quando eu falei que gosto de você
 Você olhou pra mim e decididamente
 Você falou tão delicadamente
 Que eu nao devia gostar de você
 Mas a vida é essa e apesar de tudo
 Gosto de você e que se dane o mundo

^{Am} ^{E7} ^{Am} ^{Dm}
 Quem sabe se nessas voltas que essa vida dá
 Você pode mudar de ideia
 E me procurar vou esperar!
 Eu vou ficar aqui
 Até madrugada voltar
 E trazer você pra mim eu vou ficar aqui
 Eu vou ficar aqui
 Até madrugada voltar
 E trazer você pra mim
