Ab Eb C#7M
 All of our friends survived
 Ab Eb C#7M
 When a plane crashed their minds
 Ab Eb C#7M
 And in 1904 I found
 Ab Eb C#7M
 Some real, real strength in my ground

 Fm Eb C#7M
 You look at me with your old, old eyes
 Ab C#7M
 That you used to
 Fm Eb C#7M
 Look at god in your old, old way

Ab Eb C#7M Eb
 If you lost your way, walk on, walk on, walk on

 Ab Eb C#7M
 All of our thoughts collide
 Ab Eb C#7M
 When our hearts smash inside
 Ab Eb C#7M
 And in that place I saw
 Eb Fm Eb C#7M
 The cold dark diamond in the cold dark floor

 Fm Eb C#7M
 You look at me with your old old eyes
 Ab C#7M
 That you used to
 Fm Eb C#7M
 Look at your god in your old old way
 Eb Fm
 Have you lost your way?
 Eb C#7M Eb
 Lost your way, walk on, walk on, walk on
