

# Benjamin Francis Leftwich - Sophie

Tom: G

<sup>G</sup> Caught a <sup>C</sup> bird and let it go, had a <sup>G</sup> rope and don't you know. <sup>C</sup> <sup>G</sup>

When I pulled it down, it settled on the ground.

<sup>G</sup> Caught a <sup>C</sup> bird and in a <sup>G</sup> trap, had a <sup>C</sup> lot to give back. <sup>G</sup>

<sup>Em</sup> When the sun came by you opened up your eyes.

<sup>Em</sup> Oh brother, will you let me in again? <sup>C</sup> <sup>G</sup> <sup>D</sup>

<sup>Em</sup> Oh sister, I will stumble in again. <sup>C</sup> <sup>G</sup> <sup>D</sup>

<sup>Em</sup> Oh Sophie, will you be my good friend? <sup>C</sup> <sup>G</sup> <sup>D</sup>

<sup>Em</sup> Oh Sophie will you be here in the end? <sup>C</sup> <sup>G</sup> <sup>D</sup>

Then you whispered in my ear, "I am lost but you're here."  
As the scene unfolded, truth got moved away.  
Caught a bird and let it go, had a rope and don't you know.  
When I pulled it down, it flew from the ground.

Oh brother, will you let me in again?  
Oh sister, I will stumble in again.  
Oh Sophie, will you be my good friend?  
Oh Sophie, will you be here in the end?

<sup>D</sup> Even though the scene was never golden. <sup>C</sup>

<sup>D</sup> All the while you're bones are gotten frozen. <sup>D</sup>  
You stood still.

Oh brother, will you let me in again?  
Oh sister, I will stumble in again.  
Oh Sophie, will you be my good friend?  
Oh Sophie, will you be here in the end?
