

# Ben's Brother - Time

tom:

Intro: C  
[Primeira Parte]

A second, a minute, an hour, a day and its gone <sup>Em</sup>  
Little by little it fritters away

Try as you may you can never replace it  
A moment of beauty you stumble upon <sup>Em</sup>  
As long as you treasure whatever it is

Whatever it is could never be wasted

[Pré-Refrão]

So if we all turn to dust <sup>Dm G</sup>  
Better to've loved and lost <sup>Dm E</sup>  
Cos everything has a cost

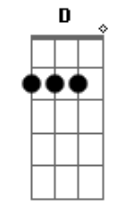

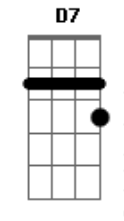

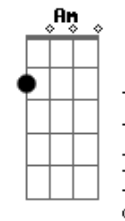

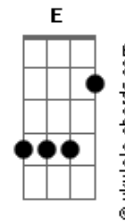

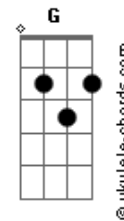

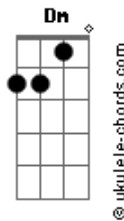

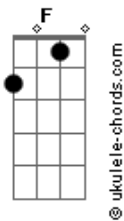

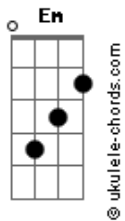

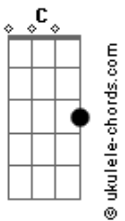

[Refrão]

So if you're gonna spend time <sup>C G Em</sup>  
Spend it upon me <sup>Am</sup>  
Spend it up on me <sup>F</sup>  
Just give me your time <sup>C G Em</sup>  
I don't want your money <sup>Am F</sup>  
Who ooh <sup>C Em</sup>  
Who ooh <sup>Am F</sup>  
Who ooh

[Segunda Parte]

I'd crawl then I'd walk then I'd run <sup>C</sup>  
but then I'd stumble and fall <sup>Em</sup>  
Somewhere between the love and the lust <sup>F</sup>  
I tried my best I was maladjusted  
And I'm not saying that I know it all <sup>C Em</sup>  
And I'm not saying that I know it all <sup>F</sup>

## Acordes

Maybe I'm a little more self-aware  
Still get scared but I've learned to trust it

Getting it right <sup>D</sup>
