

# Benson Boone - Before You

tom:  
 Eb (forma dos acordes no tom de B )  
 Capotraste na 4ª casa

[Primeira Parte]

Why would I want to fly  
 Be on the last red eye  
 Talkin' to your voice, only hearing noise  
 Oh, it's not enough  
 All of the nights I spent  
 Drownin' my discontent  
 Wasting me away, everything has changed  
 Now that I found us

[Pré-Refrão]

And it feels like home

[Refrão]

Darling, if you don't mind  
 I'll take your hand tonight  
 We could just slow down time  
 Let me adore you  
 And from the moment I looked in those dark brown eyes  
 I can't remember life  
 Before you

[Segunda Parte]

Why would I want to go?  
 Now that you're all I know  
 Smilin' under stars

Playin' chasin' cars  
 Somethin'bout the art of music in th? dark

[Pré-Refrão]

And it feels like home

[Refrão]

Darling, if you don't mind  
 I'll take your hand tonight  
 W? could just slow down time  
 Let me adore you, oh  
 And from the moment I looked in those dark brown eyes  
 I can't remember life  
 Before you  
 Oh, before you ...Oh

I'll bet I was lost and alone  
 I was barely holding on  
 To the thought of a moment like this  
 I'll bet I was lost and alone  
 I was barley holding on  
 To the thought of someone like this  
 Oh, I must've been lost and alone  
 I was barley holding on  
 To the thought that someone like you exists

[Refrão Final]

Darling, if you don't mind  
 I'll take your hand tonight  
 We could just slow down time
