

Benson Boone - Slow It Down

Db

I'd never met you, but I wanted

To invite you to the party

Ab

Then you walked in with those green eyes

Never stolen by nobody

Db

And they flicker to the future

For a moment, I could picture

Ab

Then you touch me and I come back

And we're talkin' on the staircase

Db

Bout your big dreams on the big screens

Ab

Out of Georgia, now you're lonely in this city

Lyin' with me

And you're scared it's movin' quickly

Db

Oh, now you're cryin', you're in pieces

Ab

'Cause the only love you've ever known is Jesus

I can feel it

Oh, I hate that I'm the reason that you're

In your head right now

While your world is spinnin' out

Db

So slow it down, take a moment now

Ab

We're too young to drown

Deep in dirty waters

Db

Full of hopeless doubt, let me pull you out

Ab

Let me hold you now

Let me slow it down

Db

Ain't it funny how it changes?

How the future rearranges

Ab

I get nervous, oh, I'm anxious

Maybe lovin' you is dangerous

Db

I could lose you like the others

Ab

Only girl that's never left me is my mother

Oh, I love her

And I know you'll probably hate it, but I'm
