

Berna! - Reminders of You

tom:
 I ?? keep on saying
 Things I may have said minutes ago, our
 Moments, fading whispers
 Sorry, I'm supposed to know
 But I swear to you
 When I glance at things
 Before even thinking
 Your name comes to frame
 You hang in my sight
 And I really don't mind to
 Find new ways
 To remind me of you
 And when I forget the way you look
 You'll find me wandering the Louvre
 And if it's the brushstrokes of your eyes
 I'll keep Monet's gardens at sight
 And I wouldn't mind writing every day

Pledge my hands to sparks of you
 Anything to bring them sweet and clear
 Anything that reminds me of you, oh
 (Abm Db Gb B B)
 (Abm Db Gb B B)
 I'll build a house
 White with green shutters
 And a room overlooking the lake
 I'll lay by the porch
 Like we used to
 Anything that reminds me of you
 And when I forget the way you look
 You'll find me wandering the Louvre
 And if it's the brushstrokes of your eyes
 I'll keep Monet's gardens at sight
 And I wouldn't mind writing every day
 Pledge my hands to sparks of you
 Anything to bring them sweet and clear
 Anything that reminds me of you, oh
