

Bertrand Morais - Flor de Canela

tom: Bm

Ferve a água pro café
 Enquanto eu me esquento em ti
 Repara no quin..tal
 Tem fruta no...va vindo

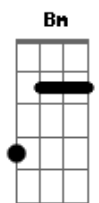

No orvalho da manhã
 Cafu..né, mimo do céu
 O cravo, a rosa, o pé
 Que dá manga rosa e bacurim

Jardineira cor de mel
 Tiari...nha nos cachin
 O do...ce da vovó
 O gosto bom do tempo

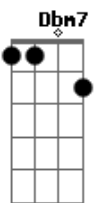

Prato feito com amor
 Mãos de afeto e de carin
 Canela, morena em flor
 Espécie rara em meu xaxim

Coisa nossa é assim
