

Best Coast - Feeling Of Love

Tom: C

^G
Oh, oh, baby I want you to know ^{Em}
^G
How good it feels to be with you
^{Em}
But I'll never let it show
^{Am}
Because the moment that I tell you
^G
You turn right around
^{Am}
And then I'll never see you again
^G
As my heart's pulled out

^G ^{Em}
Oh, oh, baby I want you to know
^G
Just how much I like you
^{Em}
But I'll never let it show
^{Am}
Because the moment that it happens

^G
You'll disappear
^{Am}
And then I'll feel real stupid
^G
And I'll go back to sleep

^G ^{Em} ^G ^{Em}
Oh, oh, oh, Love

Oh, oh baby I want you to know
How good it feels to be with you
But I'll never let it show
Because you're just as clear as me
And you don't know how to deal
With feelings that are strong like these
^G ^{Em}
The feeling of love
^G ^{Em}
The feeling of love
^G ^{Am}
The feeling of love
^G ^{Am}
The feeling of love
